## About the Tampa Cruis-A-Cade

**Welcome to Tampa Cruis-A-Cade Club (TCCC).** TCCC was established in 1954 as a 501 (c)7 by an initial group of ten families. The land was deeded to the club by Mayor Nuccio for the purpose of developing a recreational club centered on boating with the provision that the club would improve the property and build their own facility. The initial members cleared the property, filled-in land, built docks, constructed a clubhouse and promoted the club. For over fifty years, TCCC has stayed true to its initial charter to provide a membership based club that focuses on boating recreation and safety and has grown today to over fifty family memberships.

TCCC holds a general membership meeting the first Monday of the month at 6:30 p.m. The meetings are held to conduct club business and discuss upcoming events and activities. Perspective members are encouraged to attend the general membership meeting to learn more about the club. TCCC is run by an elected Board of Directors who meet the last week of each month prior to the general membership meeting.

Our Rear Commodore schedules cruises monthly. Over the years we have been to many places both locally and regionally including: Marina Jack's in Sarasota, St. Augustine City Marina, Daytona Beach Boat Club, Palm Island Marina, Beer Can Island, Egmont Key, St. Pete Pier and as close as the Alafia River.

Each year we hold a fundraiser event on Gasparilla weekend that opens the facility to the public and area boaters. The weekend event starts Friday evening and concludes on Sunday morning. Highlights are the pirate invasion on Saturday morning and a party Saturday night. Camping is available for the weekend.

All club maintenance (ramps, grounds, docks and building) is handled in-house by member volunteers. Club members meet the second Saturday of each month to clean the property, mow, work on docks and make repairs. Members who cannot attend scheduled work days often volunteer as they have availability.
